A QUICK GUIDE TO THE GPAS STATES

BLACK

Practice will fail within one month. Urgent system intervention required.

RED

Sustainable in the short term. Needs system support.

AMBER

Sustainable in the medium term (6 months max). Probably needs system support.

GREEN

Fully Sustainable.

LMC NOTE:

Submitting your results is crucial. When we don’t receive your data, it limits our ability to present a strong, accurate picture to system partners. This, in turn, weakens our case when we advocate for more resources and support for your practice.

(1) This figure is accurate and is the sum of the list sizes submitting from those Practices registering as amber, Red and Black
(2) This figure is approximate and calculated by using the clinical activity figure for Lancashire & Cumbria multiplied by 5
