A SELECTION OF THIS WEEK'S PRACTICE COMMENTS

The Practice has seen an increase in demand for appointments over the last week and the impact of junior doctors strike has reduced available appointments.

Extreme high demand for same day contact.

Significant clinical and admin sick leave impacting the Practice.

A QUICK GUIDE TO THE GPAS STATES

- BLACK** Practice will fail within one month. Urgent system intervention required.
- RED** Sustainable in the short term. Needs system support.
- AMBER** Sustainable in the medium term (6 months max). Probably needs system support.
- GREEN** Fully Sustainable.

LMC NOTE:

We urge Practices that have not sent us their data to please complete the form each week to help us understand the pressures in General Practice so that we can present this to the wider system. When completing the GPAS form please ensure that you are inputting the correct numbers to avoid incorrect data.

(1) This figure is accurate and is the sum of the list sizes submitting from those Practices registering as amber, Red and Black
 (2) This figure is approximate and calculated by using the clinical activity figure for Lancashire & Cumbria multiplied by 5
