

Prescribing Tip No. 199 Date: 13th April 2018

Updated - Chorley & South Ribble and Greater Preston CCG's Antibiotic Guidelines

Chorley & South Ribble and Greater Preston CCG's antibiotic guidelines have recently been revised and approved. A copy of the local guidelines 'Antimicrobial Prescribing Guideline for Primary care' and a 'Quick Reference Guide to Common Infections in Primary Care' are both available for download via the Medicines Optimisation page of SharePoint from 29th March 2018.

<http://ccg.centrallancashire.nhs.uk/mmopt/AntibioticFormulary/Forms/CurrentAntibioticFormulary.aspx>

To view the local guidelines within SharePoint:

<http://ccg.centrallancashire.nhs.uk/mmopt/SitePages/Home.aspx>

- Click on the 'Formulary' tab and select 'Antibiotic Formulary Documents'
- 'Antimicrobial Prescribing Guideline for Primary care' and a 'Quick Reference Guide to Common Infections' are available for selection.

Please contact the Medicines Optimisation Team with any comments or feedback relating to the guidelines.
