

WORLD COPD DAY '24: An Educational Event

Multi-disciplinary event aimed at all healthcare professionals caring for patients with COPD to share knowledge of the condition and raise awareness.

Wednesday 20th November 2024

Education Centre 1

Royal Preston Hospital 5pm – 8.30pm

Thanks to our sponsors GSK, Astra Zeneca and Chiesi, who have provided sponsorship towards catering and in return have an exhibition stand and the opportunity during the day to interact with attending Health Care Professionals. None of the companies have had input into the agenda or the content of the meeting.
