# A SELECTION OF THIS WEEK'S PRACTICE COMMENTS

Short staffed due to sickness and annual leave - working at capacity.

Resignations in reception team have left us very short staffed and we have been unable to recruit to cover those who have left. Annual leave is also at peak at the moment.

Nurse off long term sick.

## A QUICK GUIDE TO THE GPAS STATES

- 
**BLACK** Practice will fail within one month. Urgent system intervention required.
- 
**RED** Sustainable in the short term. Needs system support.
- 
**AMBER** Sustainable in the medium term (6 months max). Probably needs system support.
- 
**GREEN** Fully Sustainable.

## LMC NOTE:

Please continue to share your data with us so that we can ensure the system is aware of any capacity and demand concerns pertaining to General Practice.

(1) This figure is accurate and is the sum of the list sizes submitting from those Practices registering as amber, Red and Black

(2) This figure is approximate and calculated by using the clinical activity figure for Lancashire & Cumbria multiplied by 5
