A SELECTION OF THIS WEEK'S PRACTICE COMMENTS

Alert status resumed back to amber from black due to storm on 24/01/25, when all power failed leaving practice without heating, light and access to vital care support systems. ICB agreed early closure. Normal hours resumed on next open day of 27/01/25.
 We are currently coping 3 non clinical vacancies on top of staff sickness as well as clinical absences using external support staff but at a minimum due to cost implications.
 As always working at capacity - staff off sick, usual issues with IT running very slowly
