

Free screening of 3 films which explore the reactions and experiences of NHS and care home staff from North East and North Cumbria to the pandemic. This event is aimed at keyworkers and public sector workers, as well as their families, friends and communities. We hope to give people space to reflect, connect, and give gratitude.

**CINEMA
FOR ALL**

Notes from the **NHS** front line

Notes from the NHS front line is a collaboration between NHS North East and North Cumbria and Cinema For All. Join us for one of the 6 screenings at 5 venues across the North East and North Cumbria to explore 3 films made with NHS staff in reaction to the pandemic. Stay afterwards for a tea or coffee and nice chat. Wellbeing hub staff will be available to talk about their work.
